

# Cypress VTS

## A Transition Program

### Innovative Transition Services

Cypress VTS (Vocational & Therapeutic Services), a new non-public agency, provides an alternative to public school transition programs by offering vocational and therapeutic transition services for young adults with developmental disabilities. VTS pays real wages for employment in real work environments.

### *Cypress VTS Service Options*

Services are tailored to students' needs based on their strengths, preferences, and interests.

- Community-based vocational education and employment to support students to develop a strong work ethic and work-related communication skills
- Continuing education and life skills training with a strong emphasis on social communication and sensory regulation
- Positive behavior assessments and support plans
- Transportation

### *UCP of the North Bay Businesses*

Cypress VTS is a program of UCP of the North Bay. Students with developmental disabilities aged 18-22 enrolled in school programs through school districts may be assessed for vocational education and market-wage employment at the following locations:

- Gone For Good in Fairfield
- OADS in Petaluma
- Petaluma Recycling Center
- WineBev Services in Napa
- Employment at community businesses throughout Napa, Solano and Sonoma Counties
